The above digital ads are sold by the month and will appear in every single post on www.golfoklahoma.org for that time frame. You will catch every aspect of our audience, from parents and competitors in junior, high school, college and professional competitions to all of the other course and general golf news that makes our site unique among states. The numbers don't lie, our audience trusts Golf Oklahoma to cover every aspect of golf in the state and has for 31 years. You can reach them all consistently for these very low rates.
